Guided Walks around the Heath. The walks start promptly at 9.30 am and take about an hour. Meet at the junction of Hampstead Way and Wildwood Road.

“The walks are at a very reasonable pace and I try to vary them each week and find something interesting to talk about regarding the Heath. During the walk we stop for a short stretching session led by Dick Corbett who is a qualified fitness instructor” writes Robert Slowe.

Cost: £5 each week.

Guide: Local resident Robert Slowe.
